Dear Mr. Jones;

We have received your July 12, 2012 Freedom of Information Act request on July 16, 2012 and assigned it case number HQ DLA-12-HFOI-00143.

You have requested a fee waiver based on the public interest of your request. In order to receive a fee waiver the following criteria must be met:

- The records will significantly contribute to the public understanding of the operations or activities of DLA.
- The records will contribute to a meaningful understanding of these operation or activities.
- The records have the potential to inform the public rather than a small segment of interested persons.
- The records will provide previously unknown facts, thereby enhancing public knowledge or will it basically duplicate what is already known.
- Disclosure of the information is not primarily in the commercial interest of the requester.

Based on your website, MuckRock.com, it appears you offer a free news blog as well as a fee based service for making FOIA requests. Before I can make a determination on your fee waiver and begin processing your request, I ask that you provide detailed information based on the above criteria as to why a fee waiver should be granted.

If I do not hear from you by August 3, 2012, your request will be administratively closed. You may contact me at deborah.teer@dla.mil or 703-767-5247 if you have questions. Please reference Case # HQ DLA-12-HFOI-00143 in all correspondence.

Sincerely,

//signed//

Deborah Teer
